RULES

- A legal serve in CLUBWAKA play is one that crosses the net and is either touched by an opposing player or lands within the opposing team's area of the court within the boundary lines. A serve that makes contact with the net and carries over to the opponent's side of the net is a live serve and must be returned. Setting the serve is legal as long as the ball is not caught or carried.
- The server may not step on or over the end line until the ball has been contacted. The width of the service area is from sideline to sideline. The depth of the service area is infinite. There is no male/female hitting rules. There can be no more than 4 males on the court at any time.
- A defensive block does not count as one of the allowable three contacts. A player may reach over the net to block a ball if: a. Any portion of the ball breaks the plane of the net. b. After the offense has come in contact with the ball on the third attempt. The serve may not be blocked or spiked.
- Players can return the serve by: a. Bump pass b. Clapping their hands together c. A closed fist d. A set (as long as the ball is not caught or carried)
- No part of the body may touch the net at anytime unless a ball or person driven into the net causes the contact. Player contact with the net in a manner not directly relating to or affecting the course of play is not a violation. Contact with hair or part of the uniform will not be considered a fault.
- Contact of the ball when spiking is legal only if a portion of the ball is in contact with the plane of the net or on the spiker's side of the net. Spikers may follow through over the net after legal contact.
- The ball must be cleanly hit when spiking with an open hand. Guiding or carrying is illegal. A carry is any use of an open hand(s) while making contact with the ball that is not in a firm manner.
- Out of bounds is the area outside the designated court line, (some facilities may also have "antennas" attached to the net, at these facilities the "antennas" will be considered out of bounds as well). The line is in bounds.
