Season Finale

Irvine CaCentral Kickball, the season is over and the standings are final! The top 3 teams are the Fighting EMU, Ball Busters, and the Alcoballics. Congratulations to our top three. It was a hard fought battle for your position and you all deserve it.

The playoffs are here folks, its time to nut up and get your mojo flowing. The playoffs are what really count. Will the Fighting EMU curse return to send them packing to eat crow? Will the Killer Walruses stage an impossible comeback? Or perhaps will Risky Bizness will put their money where their mouth has been all season? The playoffs separate the men from the LTS ladies, er, from the boys.

The End of the Season Party is also right around the corner. This is the time to show your fellow teammates you are more that a grungy kickball player. Dressed in your best and bests, you probably wont be able to recognize half the people from your own team. It truly is a sight to see. BTW, its free alcohol with 2 for 1, who in their right mind is going to pass this up? Well, Ill leave that to your own imagination.

FLIP CUP POWER RANKINGS

1	<u>KILLER WALRUSES</u> Taking the Top spot for the final week. You at least didn't disappoint here. Job well done.
4	<u>ALCOBALLICS</u> Only in the number 2 slot because the editor is so very disappointed with the performance of the EMU.
3	<u>FIGHTING EMU</u> Dropping 2 spots on the horrendous performance of a single person. This person I will not name. Don't worry Laura, your secret is safe with me.
4	<u>RISKY BIZNESS</u> A few of you should up at the bar, but appeared too distrust over your loss to have the desire to play flipcup.
5	<u>LOOKING TO SCORE</u> Pictures prove that white trash is truly the game of Looking To Score. They scored major points with their outfits, so much so that is became contagious even before the games started.
6	<u>SMACK THAT</u> Again we question the dedication of this team when it comes tot eh bar, not the playing field.
7	<u>BALL BUSTERS</u> Busting balls on the field proved to be enough excitement for one night.
8	<u>THE CH. 4 NEWS TEAM</u> So, the race for the title for the team most likely not to show up at the bar continues.

KICKBALL POWER RANKINGS

1	<u>FIGHTING EMU</u> Winning with grace and style is a great thing. Everyone loves a gracious winner. But sometimes, the top of the food chain has to lay some smack down on ignorant challengers. Here's looking at you kid.
2	<u>BALL BUSTERS</u> WOW, what a turnaround from season to season. Second place is a great place to be at when looking at the playoffs.
3	<u>ALCOBALLICS</u> Hard fought battles this season team. Remember to step it up a notch when you get to the playoffs.
4	<u>KILLER WALRUSES</u> Disappointment doesn't begin to describe your season. If any of your previous team members saw this, they would turn over in their future graves.
5	<u>LOOKING TO SCORE</u> Another tale of reinvention. You may be sitting in 5 th place. But you have the top seed of most enjoyable to play. Stay classy LTS.
6	<u>RISKY BIZNESS</u> Words cannot express enough how ugly you make yourselves look on the field. It would amaze this editor to see any of you here next season due to the fact that nobody besides the Fighting EMU enjoyed playing your team.
7	<u>THE CHANNEL 4 NEWS TEAM*</u> Not a bad run for the rookies. You gave the almighty EMU a scare and didn't slide into last place. CONGRATS!
8	<u>SMACK THAT*</u> You have heart, we will all give you that. Last place in the power rankings for the season isn't all that bad if you learn from it. Take copious notes.

* Brand new team.

Seriously, are you that busy you can't spend a few minutes in-between flossing your cat and clipping your toe nails to give us a quick rehash of your game? For your lack of effort, the **7th Inning Stretch** hereby proclaims your team as Douchebags of the Week!

FIGHTING EMU VS. RISKY BIZNESS

Submitted by Fighting EMU

It's amazing how people walk through life with blinders the size of semi trucks strapped to the side of their own heads. Similar to Plato's Allegory of the Cave, some people have no concept of what reality really is. So, am I suggesting that Risky Bizness falls into such a category? You know, I will let everybody make their own decision on that. Lets state the facts.

1. RB loves to complain about EVERYTHING
2. RB does not stop complaining until they get their way.
3. The EMU are good and take pride in that.
4. The EMU are a little hot headed with a tendency to yell.

And last but not LEAST:

5. Some nut job on RB intentionally slid into first base and raised his cleats with the intention to injure the EMU first baseman.

Say what you will about the EMU's and their competitive nature on the field. NOT ONCE, has any EMU threatened bodily harm on another player. After all

this is kickball. The fighting EMU take to the field to win and we do that very well. I am sorry RB that you finished in 6th place when you THINK you are better. The fact remains that you are the problem in this sport. If you honestly believe that trying to hurt another player is "cool" or "ok" just because he has had "a little too much to drink" and "gets a little hot headed" when he's drunk then here's a tip, GO SCREW YOURSELVES. (Notice how we didn't "curse"? We know how offended RB gets when we curse; because they are so level headed.) The player at fault and the team captain that supported it after the fact should be banned from this league for that litle stunt. You guys are out of control and completely unwanted in this league. The funny thing is this season, the Fighting Emu's were complimented on for being relaxed and having fun. The EMU enjoyed every game we played. And then there is you RB, the ASSCLOWNS of CA Central. Hope we see you next season!

How about them Emus, huh? A bunch of effing jerks if you ask us.

Has anyone ever wondered why Risky Bizness always takes a season off before coming back to WAKA competition? Well last night's game was the epitome of our reasoning.

It becomes difficult to enjoy what is supposed to be a fun game of kickball when you've got 20 amped-up, steroided-out Emus screaming profanities at you, shit talking, and generally taking the game to a level that is fun for no one.

It has become clear to us that for some players in the league, they have lost sight of the fact that this is a game invented for children. And as such, it should be fun and light-hearted instead of terrible, awful and miserable. You should use the league to socialize, drink with friends, and meet new people. You shouldn't, however, be total assholes and alienate your entire team.

The general idea is that you should have a life outside of kickball (job, family, friends, dog, house), because it is just plain pathetic to be so consumed with kickball that all you do is write newsletters and play kickball on the weekends and drink/eat/sleep/dream about kickball. At the end of your days, your gravestone should say "RIP _____ Beloved Husband, Father, Son." **NOT:** "RIP _____ Captain, Fightin' Emus and Frequent User of Profanity." It should be littered with flowers and prayers, not crushed Jell-O shot cups and an old pair of knee-high green socks.

And now for some other unsolicited advice, **don't** fit into one of the following descriptions:

Are you "that guy" who screams at the other team's players when they are talking amongst themselves against the fence? And then are you the same 6'5" giant who turns around and screams in the face of an unsuspecting girl? Are you "that guy?" If so, seek

help. You almost punched the lights out of afore mentioned girl simply for not getting as ridiculously loud as you. Nice life.

Or, are you "that guy" who won't shake hands with Risky Bizness after it was all over, because one of your teammates claims he got a small bruise on his leg? If so, get over it. That guy is a weenie anyways. And speaking of weenies, props to the Risky Bizness player who was nailed in the weenie by the Emus and didn't cry or complain once.

Or are you "that guy" that waits until all of Risky Bizness has left the field, and then you turn around and scream, "Fuck Risky Bizness!" Way to get us where it hurts! Screaming at us when we're not even there anymore? You = Pathetic and Cowardly. Additionally, I'm pretty sure you're the same guy who wouldn't shake hands after the game, so you're basically a double dosage of douchebag-loser.

Or are you the guy that brings an unrelated kickball trophy to the game, and romantically caresses it every inning? You're just a pervert. We all know what you've been doing to that thing at home.

In closing, Risky's final message to the Emus: Get a life, before it's too late!

ALCOBALLICS VS. KILLER WALRUSES

Submitted by Alcoballics

Chinese Proverb Say: "It is easy to dodge a spear that comes in front of you but hard to keep harms away from an arrow shot from behind".

Alcoballics Say: "Watch your back bitches".

We're going to keep this recap as short and sweet as Wednesday's game:

A disasterous start turned into a phenomenal finish as the Alcoballics came up from behind with the force and surprise of a firecracker in the ass.

Submitted by Killer Walruses

The Alcoballics are like a case of herpes... they were dormant at first, and then we couldn't get rid of them after they broke out! Great job on the win, Alcoballics!

We must've had too many things on our mind that night to really focus on the game... whether or not we had turned off the stove in our mobile home, if someone had stolen our couch from the front lawn, what we should name our 15th child, who the babies' daddies are of the previous 14 children, that our curlers were in too tight, whose name we should get tattooed to our ass, how to get rid of the hickeys on our neck... you know, all the important things in life.

BALL BUSTERS VS. LOOKING TO SCORE

Submitted by Ball Busters

What started out as a rocky season ended pretty decent considering the Ball Busters are in 2nd place! We closed out the season strong..beating Looking to Score 5-2. Hopefully this streak continues in the playoffs!

Go Ball Busters!!

Submitted by Looking To Score

It just came to this author's attention that a newsletter recap is still due, despite it being released the day of Playoffs. Whatever. You get what you pay for:

The White Trash theme worked out well for us. Our captain wore shorts highly inappropriate for the teen

girls for whom they were intended. Becky's baby belly plowed across the field with her. There were too many trucker hats to count. The usual jello shots. Cookies provided courtesy of Justine.

Apparently the guys on our team drank a bottle of Belligerent Brew because there were some words between them and the ref. (Sorry Patrick...you know it's all good...right?) When it's a White Trash theme, we live it to the core. We're method players like that.

Ummm...okay this is pretty much all this author can remember. 2 seasons of writing recaps and you start to lose your funny mojo!

SMACK THAT VS CH. 4 NEWS TEAM

Submitted by Smack That

As the newbie's of this season, we played and fought our hardest this game. We started out with clobbering Channel 4 News our first game to only losing against them our last. Major discoveries were made at this game as we found our very own Spiderman (Ray aka "Spidie") and Speedie aka Jonathan. Great plays made by Alicia and Ray in the outfield; and the biggest "boom boom pow" between Mike and Jeff, straight out of a cartoon. There is reason why you are suppose to say "I got it", LOL.

It's all right, it's all okay...we just needed a refreshment of kickball from our grade school days. Next season it's ONNNN. This is only the beginning.....

Submitted by Ch. 4 News Team

Channel 4 News Team inched out of last place and will be the only 2 - 6 team to make the finals of any kickball league across America! Count on it!

How do you not know this yet? Auld Dubliner is WAKA Central's official division bar. It's the place to be every Wednesday after kickball. Here are just a few reasons to head over to Auld Dubliner:

6. Mix/mingle with singles from other teams

As editors of **7th Inning Stretch**, we stand by our work. We stand by the fact that our work is completely fabricated, grossly inaccurate, or totally plagiarized. We're asking – no, begging – you to send us content: pictures, opinions, events, letters, drawings, and weird stuff you found on the internet, whatever! Because the more you write, the more we don't have to, and the more partisan your SIS will be. Otherwise, what are you going to do all day – your JOB???? Ha, ha. Pass us the tomatoes.
