Single Elimination Bracket

At 1:30PM single elimination play will begin with the top 4 teams from pool A and the top 2 teams from Pools B & C advancing (based on the W-L-T record in pool play). If a tie exists when determining which 2 teams finished top in their pool, the teams with the fewest runs allowed during pool play will advance. If the result is still a tie then the team with the highest seed at the start of pool play will advance.
