

Instructions for registering a corporate or group team at CLUBWAKA.com

Please follow the instructions below to complete purchases for company teams, work groups, alumni associations, gifts for friends, or any instance where you need to purchase multiple registrations.

Step 1: Visit CLUBWAKA.com and find the league that you would like to register for. Click the “Register” button to start the registration process.

Step 2: In the Package Selection stage of the registration process, scroll to the bottom of the page under the “Purchase For Others” section and enter the quantity of registrations you’d like to pay for and click on “Add To Cart”. To finish your purchase, you can click into your cart in the top menu, or click the link at the bottom of the page.

Step 3: Once you’ve completed your purchase, a unique code will be emailed to you for each spot purchased. These codes will arrive in a letter/number format such as, “WAKASMILE_AZSCOW12345”.

Step 4: Send a code to each person in the group.

Step 5: Tell each individual to complete registration using a code. Ask the first person who signs up to create a Friend Group so others registering for the same activity can easily find each other and keep everyone grouped together to play on the same team.

Step 6: Sit back and enjoy all the smiles!

Need to pay for your group via check? Contact info@clubwaka.com with your desired location of play to be put in contact with the local Community Manager who can assist with this process.
