

That Was The Week That Was Week 1 April 15, 2011

If this column sucks... I'm sorry, I didn't hear about the House signing a budget last night. I totally though TWTW was a non-essential part of the league!

Good morning Capital and Federal Leagues, and welcome to this special "Opening Week" edition of That Was the Week That Was. Despite days of rain, the clouds parted on Wednesday and, we had great week of kickball and a nice start to ANOTHER awesome season.

GAME(s) OF THE WEEK

The Game of the Week even before it was played was Capital's MULTIPLE SCOREGAMS vs. Federal's MULTIPLE SCOREGASMS. Much to everyone's amazement, no one can get over these 2 teams. Complete strangers. Same Night. Same Name. Same Color. How can you NOT have that as the Week 1 game of the week?

Of course, at 6:45 PM on Wednesday, that turned out to be a bad call. You see – MSC didn't have enough women show up. And just like that, we have our first forfeit – on week 1!

So our hopes and dreams of watching Multiple Multiple Scoregasms was denied... but not quite. Thankfully this IS kickball, and we all did come out here to have fun. So a Scoregasm Scrimmage broke out! Talk of the Scoregasm Scrimmage was heard all over the world – at least as far as... the softball field next to us.

So while MSF came first (to the field you sick!), In the end MSF was the team to finish (man... the bad puns are endless!) Final Score of the Scoregasm Scrimmage: MSF 2 – MSC 1

MISSING PERSONS

Women of MULTIPLE SCOREGASMS CAPITAL. Last Seen... never. Maybe they heard they were furloughed and took a week vacation. Or maybe they're still sitting on the Red Line waiting for the train to move.

OTHER NOTE WORTHY GAMES

All of the fields on Wednesday Night had standing water on them. Strike 1 against the Washington Monument's new drainage system. These fields proved to be quite the game changer for the KICK HEADS – GTB game. Balls were slippery, people ate it trying to make it base, and one girl actually tried to catch the ball only to have it slip out of her arms and nail her right in the face. Not to mention, daylight quickly dwindled and players turned from human to a blur of black dots and colors.

BALLS TO THE MALL came out primed and ready to rock Capital 2011 and they came up big. Taking the early 2-0 lead in the first inning adding another in 2nd and another 2 to finish out the game. Things looked tough at times with many 99 PROBLEMS in scoring position but BttM was able to shut them out with a 5-0 win.

In the game of Rookie Capital teams vs. each other, you had KICKTATORS vs. SCOTCHATORY TAPE. Oddly enough, the game got started without refs. I know this as I was on the sideline talking to the ref. No worries. We looked over as saw them – playing. The Rookie teams were ready to do this that they didn't need any supervision. In fact, SCOTCHATORY TAPE immediately kicked a HOME RUN against the KICTATORS. Seriously, the first kick of the game. Never fear though! Apparently the KICKTATORS don't kick taters for nothing though, and they rallied together to form a cohesive unit shortly after. Their new band of brothers and sisters stiffened up and matched the competition the rest of the game. Darkness forced the game to be called an inning short of maturity, and they never had the full opportunity to overcome a 2-0 deficit.

PLAY (s) OF THE WEEK

It was 5th inning during the COOL NAME PENDING and BUREAUCRATS WITH BALLS game, CNP was on a kicking streak. With two outs it was CPT on CPT (I just learned CPT is the army abbreviation for Captain), pitcher vs. batter. Ginger had a great be-line kick down third. Third baseman "Mac the house" picked up the ball and nailed Ginger one step before the base with a 25 yard throw to end the game.

PLAYERS(s) OF THE WEEK

MULTIPLE SCOREGASM FEDERAL's Darren and Tebbe for some solid ball skills.

COOL NAME PENDING's MVP of the game goes to Jimmy for stepping up in his first game of Kickball ever and making 3 plays at 3rd base. While they didn't win the game, Jimmy kept them from loosing really badly.

"THAT GUY" OF THE WEEK

INGLORIOUS BASTARD Biel threatened to play topless since he didn't have a size Medium Shirt. Biel managed to step it up yet again when he called out the BUREAUCRAT WITH BALL first base referee and said "Hey tough guy! How did you make that call from way back there?" Turns out the tough guy actually just got back from Afghanistan.

THESE INGLORIOUS BASTARDS ACTUALLY LIVED THROUGH WW2

Eddie and Mike G of INGLORIOUS BASTARDS took a moment to realize that it has been a combined 18 years since they played their first DC Capital Game. They realized that everybody from back when they started is now married with kids, and they are hanging out with 22 year old girls doing shots (advantage them!).

*The All-Star Han Solo Cup Flipping Tournament mid-season is based on the above standings
Expanded standings are available on Tuesday in the Ghost Man On Third.

FLIPCUP ALL-STARS

Flip Cup Honorable Mention: Although BUREACRATS WITH BALLS lost its first ever flip-cup dual to the sound COOL NAME PENDING opponents, BwB emerged with a grand fearless leader. With her deadly one flip shot, Colleen O'Connor led BwB with only 9 flips total over 8 rounds of play.

A certain SWAMP DONKEY woman beat a certain newsletter editor at a 3-cup flip-off. That newsletter editor was not available for comment.

FLIPCUP???

Apparently some flipcup was played after the games. WAKA can't actually organize drinking games and force you to participate, but we can't organize a tribute to the great Han Solo!!

INTRA-TEAM HOOK UP WARNING

From SWAMP DONKEYS: "Despite a warning to our team not to hook up with each other... we had our first team hookup (at least that we all know about). Once the hangover kicks off and the embarrassment kicks in remember- you were warned!"

GOLDEN KICKBALL UPDATE

The Golden Kickball goes to the team at the end of the season that shows the most team spirit including chants, cheers, and props. Let's take a look at the spirit from this week:

Although the BUREAUCRATS WITH BALLS team color is designated chocolate black, 99% of Americans who know their colors would call the shirts brown (technically 100% but someone had to have made the shirts). The team has adopted the new color with its new cheer "Brown holding it down."

COOL NAME PENDING returned this season with Miley Cyrus. A new addition this season is a vuvuzela.. but 3 hours later, it was grabbed by Matt from HEAD FIRST FROM THIRD BASE and bent over his knee. After Matt was released from CNP's Craig's death grip head lock, he claimed "The bartender made me do it!" The vuvuzela, though slightly bent, lived to see another week.

QUOTABLES

"Eventually we found the Scotchatory Tapists with their burnt Sienna t-shirts plotting their next 'tape'."
- KICKTATORS, latest TAPE victim.

"Considering our team hardly knew one another going into tonight, we were really damn social: dancing, yelling, cheering, making fun of each other, dudes hitting on chicks, chicks hitting on dudes, chicks hitting on chicks, dudes hitting on dudes, dudes hitting on cardboard cutouts of Miley Cyrus."
KICKATORS

SHOUTOUTS

MULTIPLE SCORGASMS SQUARED. This is actually making me believe that I was tripping on acid more so now. I love MSF's boombox man who thinks it is appropriate to give every kicker entrance music to the plate. I also give these guys the social award for joining forces at the Exchange to play limitless rounds of flip cup and get completely intoxicated. I think these two teams should breed to make scoregasm babies, who would of course, be born purple. – Michelle, KICK HEADS

Big shoutout to DERELICT MY BALLS's Mike Armstrong for his continued willingness to get dirty and sacrifice his body for the out.

COOL NAME PENDING would like to recognize the awesomeness that is BUREAUCRATS WITH BALLS and thank them for an awesome game and an epic flip cup game. Thanks for a great game!!

BALLS TO THE MALL for the group effort in getting the Macarena started, thus making the night!! Way to go on the joint dance party!!! Looking forward to a great season!! – COOL NAME PENDING

Shout out to the 99 PROBLEMS player who while kicking, lost his shoe not once, but twice in the same at bat. – BALLS TO THE MALL

CRYSTAL PITCHER UPDATE

Wednesday at the Exchange...

They were enemies, then frenemies, now besties. MULTIPLE SCOREGASMS Federal and MULTIPLE SCOREGASMS Capital have put aside their color biases and united under one belief: Two or more SCOREGASMS in the same room spells wanton orgy. The night veered to bedlam when Ahmed their waiter said, "How about I give you guys a stronger beer for the same price? We have a few kegs I'm trying to blow." Sure, they cried, bring out the entire keg! This tiger blood replica proved equally flip-cup-inspirational and love-fest-inducing as many of them slow-danced, grinded and hugged it out bro-style. As Katy Perry would say, "No regrets, just love."

Meanwhile at Irish Times...

BALLS OF GLORY invited Federal Team KICKERS AND SCREAMERS to Irish Times to drink with them. When the handful of them made it out and were ready to play flipcup, BOG promised to make this a night they wouldn't forget. Together BOG and K&S tore up the dance floor in the Dungeon of Love. Yes there was Riff Raff having sex in the corner, but it was obvious who was having the better time! At closing time, it was still BOG, K&S, GFYITP and #WINNING holding down the Dungeon with the Riff Raff looking on – jealous.

Thursday at Irish Times...

Thursday started off the way it always does – once the flipcup tables are put away the dance party starts. The dance floor was owned by COOL NAME PENDING, BALLS TO THE MALL, and SWAMP DONKEYS. BALLS TO THE MALL stepped up their game this year. After being overshadowed by CNP during the whole offseason, they want their Crystal Pitcher back! Once they started doing Phantom Double Dutch, it brought out multiple teams. The enjoyment of the crowds watching the double-dutch'ers are only increased when people started wiping out on the floor.

Ironically at 10:30 on both nights, Wednesday night actually had more kickballers on the dance floor than Thursday. Wednesday only had 4 teams at the bar, Thursday had 12. Advantage Wednesday. Wednesday had Riff Raff padding their numbers. Advantage Thursday. Result: a push! BALLS TO THE MALL and COOL NAME PENDING are clearly the only two contenders for Crystal Pitcher at this point in time.

BEAUTY AND THE GEEK

As a few of the INGLORIOUS BASTARDS were walking to their car some kickballers from one of those other leagues were sitting outside at the Billy Goat Tavern challenged them to flipcup. Needless to say they beat them 4-0, but that's not the important part. The important part is that tipsy Paul looks at one of the Asian guys and starts saying "I know you! you were on that show Nerdy geeks and beautiful women. At this point Michele is slightly worried that her tipsy boyfriend is just trying to eff around with the guy, because she had never heard of such a show, but as Brian, Lindsey and Michele stand there contemplating if Paul is being serious, the guy admits that he was IN FACT on Beauty and the Geek!
