Ghost Man On Third

All the news that's fit to kick!

Week 7 Games Aug 11th

HELLO? IS ANYONE OUT THERE?

Well folks, it has been a fun season and of course as we wind down through the playoffs we can't wait for the fall weather and some fall kickball. What's better than drinking a cold beer outside when it starts getting a little cooler? Which around here is probably not until about December. We would really appreciate any and all feedback about this season's GMOT that you might be able to provide. As you know we don't get that many write ups (except the Rangers of course) and there aren't too many submissions either. If you have any ideas please let us know. We would love to get others involved and of course we would love to know if anyone even read this thing. Email us at SpaceCityGMOT@gmail.com. Enough of the boring stuff and on to some beer warnings that probably should have been stated at the beginning of the season.

WARNING, the consumption of alcohol may cause you to do things like this.

WARNING, the consumption of alcohol may leave you wondering what happened to your pants.

WARNING, the consumption of alcohol may cause you to roll over in the morning and see something really scary (whose species and/or name you can't remember).

WARNING, the consumption of alcohol is the leading cause of inexplicable rug burns on the forehead and knees.

WARNING, the consumption of alcohol may create the illusion that you are tougher, handsomer and smarter than some really, really big guy named Chuck.

WARNING, the consumption of alcohol may lead you to believe you are invisible.

WARNING, the consumption of alcohol may cause an influx in the time-space continuum, whereby small (and sometimes large) gaps of time may seem to disappear.

Please make sure everyone on your roster is registered. There will be zero tolerance for unregistered players!

A Note from David, League Rep

Hello Space City!

Kickball. Kickball is a game of passion, of tears, of blood. It is the single greatest game ever conceived, besting even that of a good game of dodgeball. Ok, so perhaps kickball isn't a game of tears and blood. But the passion will certainly be there when the playoffs start this week. So everyone put on your game faces and let's kick some balls!

Captain's Corner

WAKA Texas Rangers

This week the Rangers took on the Ragin' Homers! Fresh out of Chuck's Camp Cupcake the Douche Canoes of the team had a fresh new outlook on Kickball and showed up with a much better attitude. It is rumored that after of few nights in a rat infested bamboo cage and our fearless leader Jaimie was crying like a little girl. Sorry Jaimie, but it is just to easy to pick on you sometimes. Isn't Jaimie a girls name anyway? Just kidding! Just kidding! Like a Chuck Norris with the full beard your manliness knows no bounds!

Fueled by cheap beer and about 45 Jello Shots the Rangers came back in force to avenge last week's losses. A little tipsy is just how we like to play and it showed. It was a hard fought game but in the end the Rangers came out on top. Next week it is rumored that the Rangers get to see the Ragin' Homers again in the playoffs. It's a good thing we didn't deploy all of our tricks. We are looking forward to defeating the Ragin' Homers one last time for the season and moving on to the finals! All other teams are on notice that we will be making a run at the Flip Cup championship! Any teams that Forfeit we will attribute to you being terrified that you might have to play the Rangers. See yall on the fields AND the Flip Cup Table!

CAUGHT IN THE ACT

FLIP CUP THE OFFICIAL DRINKING GAME OF KICKBALL

1, 2, 3, FLIP!

It has all come down to this. We will be fighting for the season championship this week after the first round of kickball playoffs. On the line is the solid gold Flip Cup trophy. This hand crafted gem will be presented to the undisputed Flip Cup summer season champion. Make sure that your best flippers get permission from their parents to stay out a little later on a school night. That means you Toe Jammers and Grass Kickers! Yall gave the Slime balls 2 gimmie forfeits this week!

This week the Rangers and the Slime Balls brought their A games and had to duke it out to win for the week. The Slime Balls sent the Rangers packing back to their table with a straight two and out smackdown for the win. This boosted the Slime Balls from 3rd place to

second just behind the ObjectionaBalls.

Now that we know what the final rankings are, the bracket has been made for this Thursday. The top three teams all have earned a Bye (OB, SB, RH). The rest of the match ups are Toe Jammers vs Rangers, Hot Pitches vs Daj Maballs, Grass Kickers vs Team Bronado, and Ball Stars vs Waka like it's hot. The games will start as soon as we start seeing the above match ups get to the bar. That is unless the Yellow Shirts end up getting stuck out on the field late then we will just roll right into the games right when we get to the bar. So be ready to play and remember your last 6 weeks of training!
