

Captains Responsibilities

Being a captain is a great honor and responsibility an individual takes on when they register. You are committing yourself to rounding up your friends, bringing them to a fun environment and keeping them informed of all things CLUBWAKA. First and foremost, we appreciate your leadership and loyalty to us!

Here are the captains' responsibilities for all leagues:

- All players on your roster are entitled to play an equal amount of time.
- You may not bench someone in favor of other players.
- Encourage your team go to the sponsor bar regularly after games and attend other social events throughout the season.
- If your team starts to get too competitive, remind them that this is more a social organization than a competitive sports league. Make sure they attend the bar that night to unwind and experience the social aspect.
- You are responsible for the conduct of your team and players at all times while at the fields. Any harassment of other players, CLUBWAKA representatives or referees must be dealt with immediately.
- Only captains and named co-captains can "discuss" a call with a referee.
- Make sure there is communication between you and your team. This includes weekly emails with the week's schedule, party information, etc. Reminders of game times and field play are also helpful.
- If you know you will not have enough players for a game, you must email the Community Coordinator and let them know.
- If you have new players on your team, help them with the rules and strategy of the game.
- Prior to the start of your game, your lineup should be set.
- You are responsible for making sure that your Head Ref and your Secondary Refs are on the field AND on time for games they are scheduled to referee.
- Encourage the spirit of CLUBWAKA amongst your teammates no matter the sport or activity you're participating in... have fun, win or lose!

****Failure to do so may result in any of the following actions at the discretion of CLUBWAKA: Removal from the captain's position, suspension from league, a ban from all CLUBWAKA leagues****
