POWER RANKINGS

- 1. The Undigestables** — With this being the last week they have locked down first place with domination of every team and only have lost once. They have a tough match up against Baggin and braggin and Shucking Awesome. Can they finish the season off with 6 more wins?
- 2. Holes Beware** — They couldn't get another win against The Undigestables but in could spot to take the 2 seed heading into the playoffs. They will need to take care of business this week against This Shucks and We so Corny to do so.
- 3. Baggin' and Braggin'** — They are tied in the 2 seed of the official standings but will have a tough match against the number 1 team this week and This Shucks They will need to handle business to have a shot at the 2 seed.
- 4. Amateur Cornstars** — No one showed up last week so they took a huge hit in the official standings but they are still a good team. Lets see if they show up this week to face off against TechQ and Dream Destroyers to lock down a good seed heading into the playoffs.
- 5. TechQ** — They had an off week but I know they will be ready this week against Amateur Cornstars and Dream Destroyers. They need some important wins to lock down a better seed.
- 6. This Shucks!** — They are currently in 4 in the official standings but will have a very tough week against 2 and 3. They are looking for those upsets to finish in the top half of the standings for a good seed heading in to playoffs.
- 7. Shucking Awesome** — They cant make up their mind one week they are on fire the next they are dropping points can they light it up against the The Undigestables and We so Corny to get a better seed heading into the playoffs.
- 8. We So Corny** — They are fighting to stay out of last place they have a four point lead with easier opponents but will be hard to take down Holes beware and Shucking Awesome to move up into the standings, but it doesn't matter till the playoffs. I have seen a lot of good teams get upset in the playoffs.
- 9. Dream Destroyers** — They have destroyed to many dreams this season as their name says 6 to be exact out of 36. They will have to take down TechQ and Amateur Cornstars to have any hope moving up to 8th in the standings.
